

FREE FLU VACCINATIONS FOR CHILDREN

Children in the Southern Grampians Shire aged between six months and five years are eligible for free flu shots from May 2018.

Parents are advised that children who have not received a flu vaccination previously will need to book two (2) appointments (one in May and one in July) to ensure the child has two shots, each given one month apart. Children who received the flu shot last year will only need a booster shot which can be given at both May and July sessions.
