

PARTIAL CLOSURE OF BROWN STREET AND TYERS STREET HAMILTON

As part of Council's capital works program 2017/18, the existing pedestrian crossings at Brown Street and Tyers Street are to be altered to install 75mm high rubber block pedestrian crossings. The construction work will commence as follows:

- **Tyers Street - Wednesday 13 June**
- **Brown Street - Thursday 14 June**

It is anticipated works will be completed within the day, weather permitting.

During works, the road will be confined to a single lane and traffic control will be in place. Delays are expected during construction and Council suggests motorists and pedestrians avoid the areas if possible. The new crossings will improve pedestrian safety at these high traffic locations.

For further information, please contact Council on 5573 0242.
