Please see the following table for updated service details and opening hours.

Council thanks all residents for their patience over the last few months and for continuing to support one another during this challenging time. Council will continue to work on reopening other impacted services and will provide information on those as soon as it is available.

Council remains committed to help slow the spread of COVID-19 within our community, to protect our staff, volunteers and visitors, and to play our role in the national response to limiting transmissions during this pandemic and be guided by the Victorian Government and the Department of Health and Human Services about appropriate actions going forward.
