## KING STREET ROUNDABOUT CONSTRUCTION RECOMMENCES

Council would like to advise residents works will recommence **Monday 3 August 2020** to construct a roundabout at the intersection of King Street and Shakespeare/Gordon Street. The project is now due to be completed by the end of September 2020, subject to weather conditions.

For the duration of the works, Gordon Street and Shakespeare Street will be closed at the intersection of King Street. Traffic management will be in place along King Street, reducing King Street to one lane with traffic lights controlling traffic. Signed detours will be in place, directing traffic via either Mt Baimbridge Road, Kent Road, Park Street, Victoria Street or Horner Street.
