

2020 COMMUNITY SATISFACTION SURVEY

Southern Grampians Shire Council would like to inform residents that from **24 February 2020**, for a period of up to three weeks, your household may receive a call from an independent market research agency, National Field Services.

National Field Services have been commissioned to conduct a Community Satisfaction Survey on behalf of Council. Similar surveys will be undertaken across all Victorian councils in the coming months. The survey has been designed to assess the performance of the Southern Grampians Shire Council across a range of measures to identify ways to provide improvement or more effective service delivery to residents.

The survey will involve 400 interviews conducted among a representative sample of residents.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with the Southern Grampians Shire Council.

Contact Council on **5573 0444** for more information.
