COMMUNITY VISION FRAMEWORK 2041

Community Vision Framework 2041 (CVF 2041) represents a 20 year vision for the Shire, identifying priorities and opportunities that should be further investigated and delivered. It is based on extensive community engagement and a holistic perspective on the role of Council in delivering facilities and services to its community. A set of updated advocacy priorities will also be reflected upon.

The delivery of CVF 2041 is driven by at least four compelling needs, being:

1. **Legislatively required** under Part 4 Division 1 S88 of the Local Government Act 2020 whereby Council must maintain a Community Vision that is developed with its municipal community, in accordance with its deliberative engagement practices (S88(1)) with a scope of at least 10 years (S88(2)) of the Act;
2. Specific deliverable or **key performance indicator** (KPI) for delivery by Council and its Chief Executive Officer;
3. **Strategic framework** that maps how strategies developed and delivered by Council on behalf of its community integrate into a work plan; and
4. Critical need for a **regional perspective** that extends into a wider view of how the Shire is situated within the region and its partnerships with agencies operating in those regions.

CVF 2041 will define the long-term roadmap for the Shire and inform and support Council's other strategies plans and strategies including the upcoming Council Plan for 2021-2025 (which forms the first four years of the 20 year plan). Both documents will be exhibited concurrently and adopted concurrently. With each new Council elected it would be expected that the 20 year Community Vision Framework will be updated to remain relevant to the changing needs of the Shire's communities and the strategic direction of the organisation. The Local Government Act 2020 directly confirms this to be the process to be followed by councils in Victoria.

The Consultation Outcomes Report for CVF 2041 represents phase two of a three-phase process that will ultimately deliver a 20 year strategic framework for the Shire. Council is now seeking feedback on this report.

A copy of the Council report presented to the Council Meeting on 14 April 2021 as well as the Consultation Outcomes Report can be accessed at <https://www.sthgrampians.vic.gov.au/HaveYourSay>

Submissions will be received up until **24 May 2021** and can be sent to strategicplanning@sthgrampians.vic.gov.au or to Andrew Goodsell, Director Planning and Development Southern Grampians Shire Council Locked Bag 685 Hamilton VIC 3300.
