## NEW YEARS EVE FIREWORKS DISPLAY

A fireworks display is planned at Melville Oval, Hamilton on **Sunday 31 December at approximately 10:30pm**. The Rotary New Year's Event Street Party will take place along the Melville Oval netball courts area from 7pm, but the oval itself is not accessible to the public at any point that evening.

Residents located in the vicinity of Melville Oval are advised to take necessary precautions with pets who may be disturbed during this time. Spectators enjoying the fireworks display are reminded to be aware of traffic in the area and are advised that normal road rules apply.

## BLUE GREEN ALGAE ALERT FOR LAKE HAMILTON

Southern Grampians Shire Council would like to advise members of the public to avoid physical contact with the water in Lake Hamilton, with Blue Green Algae scum being detected at the spillway.

Council Environmental Health Coordinator advises in the interests of health and safety, people should avoid using the Lake until further notice. The public should avoid all physical contact with Lake Hamilton's water, including swimming, sail boarding, water skiing, fishing and rowing.

Landholders and animal owners are also reminded to ensure that their stock and pets are prevented from drinking the water in the lake.

Signs will be erected in key locations around Lake Hamilton notifying the public of the health and safety risks. Recreational land such as picnic areas and playgrounds remain open.

Council will continue to monitor Lake Hamilton's water for blue green algae until the algae levels have reached a safe level. For further information, please contact Council's Environmental Health Department on 5573 0245.

## TEMPORARY ROAD CLOSURE | FORREST LANE

Southern Grampians Shire Council would like to advise the public of the temporary road closure of Forest Lane between Rudolph Lane and North Lake Road to allow for major culvert replacement works to be completed (Boonawah Creek - chainage 4550km).

The road will be closed for no more than 4 days (weather permitting) and will be completed during the week commencing **Tuesday 2 January 2018**. Access to the properties will be maintained for the duration of the works however a detour may be required.

These changes will allow Council to improve the quality of roadside assets and improve storm water disposal and road access.

For further information regarding the works, please contact Council's Engineering Department on 5573 0203.
