OUTDOOR POOLS POLICY - HAVE YOUR SAY

Council proposes to adopt an amended Operation of Greater Hamilton Outdoor Pools Policy, which would come into effect from **November 2017**.

The proposed Policy update ensures a set standard of operation across all six outdoor pools and removes the need for pools to close for 45 minutes mid-afternoon.

The key policy recommendations include:

- Season length to run from the first weekend in November to the last weekend in March at Hamilton while all other pools will open early December and close in March
- Pools will be open from 3pm – 7pm, seven days a week
- When the air temperature is more than 35 degrees, pools will open 12pm – 7pm on weekends and the month of January
- Pools will be closed when the air temperature is forecast to be less than 24 degrees
- Pools will be closed on days having a Code Red fire danger rating

The proposed changes are being recommended as a result of the community consultation, conducted by Council through May-June 2017 in an effort to enhance the capacity to have pools staffed at times of peak use.

Community members are encouraged to read the **draft Operation of Greater Hamilton Outdoor Pools Policy** located on Council website www.sthgrampians.gov.au/have_your_say and provide feedback.

Comments on the policy should be addressed to: Evelyn Arnold, Director Community and Corporate Services, Southern Grampians Shire Council, Locked Bag 685, Hamilton VIC, 3300 or earnold@sthgrampians.vic.gov.au

Feedback will **close on 9 October 2017**.
