

UNI SA FOUNDATION STUDIES INFORMATION EVENING

Do you have any young people in your life who would be interested in completing Foundation Studies as a pathway to university?

University of South Australia's Foundation Studies program is designed for people without other entry qualifications, or for school leavers without an ATAR who wish to prepare for a future degree, and aims to build their confidence and skills required for University study. And best of all, the course can be offered right here in Hamilton.

Find out more: **Thursday 5 September | 5pm - 6.30pm | The Hub Hamilton**

Interested? Please RSVP to scutterbuck@sthgrampians.vic.gov.au
