

BLUE GUM REMOVAL

The large Blue Gum on Lonsdale Street will be removed in the week commencing Monday 24 June.

Works to remove the tree are expected to take approximately three days, weather permitting. Given the complexity of the removal process, a number of safety measures will be in place:

- Lonsdale Street, between Thompson and Kennedy Street, will be closed for one to two days while the work takes place on that side of the tree. Motorists will be required to take an alternative route and traffic management will be in place.
- The Hamilton Visitor Information Centre (VIC) will be closed throughout the works. A temporary VIC will be established in the Hamilton Performing Arts Centre foyer (113 Brown Street Hamilton) from 10am – 5pm.
- A large exclusion zone will be in place around the area with pedestrians asked to avoid the area where possible.
